

GVHC Releases Two Pay Plan

By Ralph and Caroline Miller

Controversy over by-law provisions to be adopted at next Wednesday's membership meeting led to sharp debate at the last two board meetings of the Greenbelt Veterans' Housing Corporation. Major issues were the right of employees to vote and the use of proportional representation for election of directors.

In addition to voting on by-laws at the coming meeting, the members will choose between two monthly payment plans. One, already sent to members by mail, is an estimate based on present PHA operating costs and maintenance, except for interior painting and replacement of equipment. The other, which will shave \$4 off the higher monthly payments, is also based on present operating costs, but with maintenance undertaken by residents.

Voting Rights Upheld

Denial of voting privilege to GVHC employees was overwhelmingly defeated 7-2 at Monday's board meeting. A. C. Long defended his motion by citing the danger of a large number of employees voting on a question involving maintenance costs which would necessarily affect their jobs. President Mike Salzman agreed. Thomas Ritchie, who delayed his vacation to bring up this question and proportional representation at a full board meeting, scored the proposal: "When you start chipping away at liberties you set a dangerous precedent. Voting rights should not be tampered with."

Refuting Long, Earl Thomas said "If danger exists, we must accept it rather than deny a democratic principle by withholding the vote from any class of members."

Ritchie cited the possible difficulty of recruiting employees from member-residents if voting rights are denied.

P. R. Wins

Evidence in favor of the Hare system of proportional representation in voting for directors was presented by Walter R. Volckhausen, present at Ritchie's request.

Defeated at the Friday meeting with 6 members present, proportional representation was upheld by the full board by a vote of 6 to 2, with one member abstaining.

By-Law Provisions

A twenty-five dollar membership fee for non-residents and for residents who become members after April 30, 1952 was incorporated in the proposed by-laws. Another provision states that if members do not participate in the purchase, their voting rights will be terminated after April 30, 1952.

Other by-law provisions adopted include the requirement of a quorum of 10% of the membership or 200, whichever shall be less; maintaining polls in Greenbelt the day following the annual membership meeting to permit voting on directors by members unable to be present at the meeting; and reduction of the board from 9 to 7 members following the present term of office. Proposed but defeated by the board was extending the term of office of directors to two years.

A saving of approximately \$4.00 per unit was the result of refiguring costs on the basis of the breakdown authorized by the board at its meeting of March 10, whereby GVHC would provide minimum maintenance. What this saving is actually worth to the member-owner was not discussed by the board but will be referred to the members for decision on Wednesday.

SCOOP !!

Night Letter to PHA Commissioner John T. Egan

March 17
Greenbelt Citizens anxious to know alternative disposition of city in case GVHC fails. Will city be sold? If so, under same restrictions as now apply? Rumors destroying public confidence. Please wire reply if possible to make Tuesday midnight deadline.

Greenbelt Cooperator

Wire from John Taylor Egan, Commissioner, Public Housing Administration

March 18

This is in reply to your wire as to our plans regarding Greenbelt. If Greenbelt project not sold to GVHC, rents will be raised pursuant to rent control law. Alternative sales plan will be formulated as rapidly as possible and actively pursued in accordance with P. L. 65, 81st Congress. The government does not intend to continue ownership.

John Taylor Egan

(Ed Note:- P.L. 65 - 81st Congress: Public Housing Administrator is authorized to use a negotiated basis for sale of Greenbelt and to give first preference to resident groups. While "veteran" groups are specified, all residents of the town must be accepted as members with equal privileges and responsibilities. The law permits, but does not make mandatory, the basis of sale outlined.)

Waltonians To Start Lake Project Soon

Work will begin within a few weeks on a project to recondition the Greenbelt lake and make it a fisherman's paradise. The Greenbelt chapter of the Izaak Walton League has completed plans to drain, clean and restock the lake with blue-gills and bass.

A complete investigation of the needs and requirements of the lake has been undertaken by the Maryland Inland Game and Fish Commission, which will supervise the reconditioning. Approval was granted by the city council after a preliminary hearing last Thursday.

A sluice gate in the breast of the dam will be opened and the estimated 2,600,000 gallons of water gradually drained. A net will be provided to capture all the escaping fish, including a large number of carp, considered undesirable for good fishing conditions. Debris will be cleaned out by teams of Waltonians, and volunteers from the Lions Club, American Legion, and the Boy Scouts. The lake bed will be allowed to dry, and some bulldozing is anticipated to regulate the bottom's depth for maximum fish life.

The lake will then be filled from a stream and "fertilizer" planted to sustain life in the fresh "sterile" water. Restocking will proceed with game fish supplied by the state on a continuing basis. Edwin Barry and Donald Gilbert, state experts, will guide the Waltonians and do research on the project.

Although the lake was stocked three times previously, this is the first time it will be completely drained and reconditioned.

ATTENTION !!

Note: The Municipal Office will be closed Tues., Mar. 25, Maryland Day. Trash collections scheduled for Tuesday will be made Wednesday, Mar. 26.

GCS Board Votes 5 - 4 To Probe D. C. Store Site

At his first meeting with the new GCS board of directors, general manager Sam Ashelman reported his "purely exploratory" conversation with a realtor regarding a possible food store location in the northwest Washington. After displaying a blueprint of the site, Ashelman said he had brought the proposition to the attention of the Rochdale cooperative but that manager Bill Petrie had been doubtful of his group's interest. After discussing the merits of having a GCS board member, either officially or unofficially, approach the Rochdale co-op about research on the Washington food store opportunity for Rochdale or possibly Greenbelt, the board voted 5 to 4 authorizing Ashelman to investigate further the desirability of the location. Those voting in favor were: William Arntz, Charles Bicking, Henry Walter, George Davidsen and Walter Bierwagen; those against: Morris Solomon, Cal Winegarden, Sam Schwimer, Harry Zubkoff.

The following officers were elected: president, Walter Bierwagen; vice-president, William C. Arntz (of Takoma); secretary, George Davidsen; treasurer, Calman Winegarden.

Committees Elected

Two new committees were organized, Store Operations and Price Policies headed by freshman Morris Solomon; and Personnel Policies headed by Sam Schwimer, also a new member.

The Executive Committee is composed of Morris Solomon and Charles Bicking (Takoma) as well as president Walter Bierwagen. Harry Zubkoff, the successful write-in candidate, will chair Education, and Henry Walter takes over Membership. William C. Arntz was nominated as GCS representative on the board of WCFM; George Davidsen will serve with the Potomac Cooperative Federation; and Henry Walter and Cal Winegarden are to discuss GCS participation in the sale of Greenbelt with directors of GVHC.

Each board member gave his views on the problems and objectives for the coming fiscal year. Sam Ashelman, general manager, reported on economics contemplated for operation of the theater; on the current unsatisfactory margins in meat sales; and on a plan for defining the responsibilities of Bassett Ferguson, operations manager, and other managerial employees. There are now 254 full and part-time employees, he said.

Ben Rosenzweig discussed possibilities for the summer session of the Cooperative Institute to be held at Amherst, Massachusetts.

PHA Refuses New Budget Discussion, Denies Onus For Kindergarten Loss

By I. J. Parker

Public Housing Administration slammed the door on further kindergarten negotiations in a letter to the city council which stated, "It seems to us that nothing can be gained from further meetings on this subject," it was disclosed at last Monday's city council meeting. The letter was a reply to a council bid to re-open budget negotiations for funds to continue kindergarten after summer. Roy Little, Deputy Assistant Commissioner for PHA, put the responsibility on council for cutting the controversial service and admitted only to keeping the overall budget figure down to last year's figure.

An outraged council expressed vehement disagreement with Little's letter. "We are dealing with a slicker who says one thing for an hour and a half in conference and then sends us this gobbledygook!" stated councilman Thomas Canning. "Little is trying to make fools out of the council," added councilman Ben Goldfaden. Mayor Frank Lastner reiterated charges that PHA specifically denounced the kindergarten service during budget negotiations as "luxury," as unique, as cause for a raise in rentals, and an added tax burden when Greenbelt is sold to the residents.

McDonald to Investigate

The city council voted to knock on PHA's door again with a letter asking for a meeting with "top dog" John Taylor Egan. Meanwhile, city manager Charles McDonald will pursue with council's approval an investigation to determine which has the actual responsibility for approving services to the city—council or PHA. He will apply to the city solicitor, the Government Accounting Office and the Attorney-General to get a legal opinion. From Egan, it is hoped that an answer to another question will be forthcoming - will PHA approve a kindergarten if Greenbelt is not sold?

Plans to recondition the Greenbelt Lake were approved by council after a report on the project was submitted by the city manager. The Isaak Walton League is sponsoring the improvement with the assistance and guidance of the Maryland Game and Inland Fish Commission, and the help of volunteers from the Lions Club and the American Legion. The lake will be drained, cleaned, fertilized and re-stocked with game fish. McDonald reported that improvements of the lake area have been made, including an outdoor amphitheater, picnic sites, and general cleaning.

Telegram Service on Trial

Telegram service by the police department may be discontinued in Greenbelt, the council announced. Income from the service was considered inadequate. It is used mostly by collector's agencies and Schrom's airport and very little by Greenbelt Consumer Services, the original inspiration for the idea. Goldfaden asked that a definite decision on discontinuance be delayed until residents can express their opinions at the next meeting. It was pointed out that telegrams are easily delivered by telephone, and can come from Hyattsville without serious inconvenience to residents, thus freeing city employees from time-consuming telegram work.

For the third consecutive meeting, representatives of the North End PTA were present. McDonald disclosed a plan by the NEPTA to sponsor the application of "Scotchlite," a luminous material, to bicycles in Greenbelt. The city will purchase the material, make arrangements to apply the tape for a nominal charge, and publicize the project.

Motorists Warned

Child Severely Hurt By Car With Bad Brakes

Three-year-old Tommy Wertz, of 13-U Hillside was struck by an automobile driven by William Denison, 13-C Hillside, last Wednesday afternoon. The child was taken to the Leland Memorial Hospital by the Greenbelt Rescue Squad where he was treated for a fractured skull and lacerations.

The accident occurred at the entrance to the 13 court of Hillside. Denison has been charged with reckless driving and operating an auto with faulty brakes. The officer's report of the accident states that Denison declared, "Returning from school I felt something scraping underneath my car. I stopped immediately and found I had hit a child riding on a tricycle. The boy crawled out from underneath the car on his own power."

The child was then carried into his home by Harry Goldberg, 14-L Hillside, and the police and rescue squad summoned. Tommy is now recovering, although still hospitalized, according to his mother.

Bloodmobile Due Here Next Week

When the Bloodmobile of the American Red Cross comes to Greenbelt next Thursday, the 27th, it will have the distinction of receiving a pint of blood from William Bluehosh who will donate his fiftieth pint at that time. Bluehosh, a postman working out of the Hyattsville Post Office, lives at 2-G Northway and possesses a rare type of blood which he has donated to friends and strangers alike. At the present time he has a special incentive as he has a son in Korea.

Mrs. Andrew V. Davis, president of the Truman Riddle Navy Wives, serving as recruitment chairman for the Bloodmobile, reminds Greenbelt that the unit will be stationed in the Center School Auditorium from 2 to 7 p.m. and that appointments may be made by calling her at 5361. If necessary transportation will be furnished to and from the donor station. A full staff consisting of a doctor, several nurses, nurses aides, medical orderlies as well as Red Cross Gray Ladies, canteen workers and clerical help will be on hand in the donor station. Only those persons found to be in good health are permitted to give blood.

Teachers' Panel Featured At Center PTA Tuesday

The parents of the Center PTA will have their day next Tuesday night, March 25, at 8:30 in the social room of the Center School. A panel of all the teachers led by Mrs. Elizabeth Fugitt will be on hand to answer questions put to them by the parents. Mrs. Fugitt has asked that all questions be submitted to the school by Friday. General discussion will follow the question period. The teachers have planned a few surprises and all interested persons are invited to come.

Boy's Club Activities

By Lee

Our Club's Basketball activities are coming along in great shape. We have a complete run down on our Intermediate team this week: the Intermediate team tied for first place in the county league with Mt. Rainier and Green Meadows. In the play off Greenbelt lost to Green Meadows in an overtime game 25 to 23. Green Meadows then defeated Mt. Rainier and is winner of the first half. In the second half Greenbelt has won all its games thus far as follows - Greenbelt 50, Berwyn 32; Greenbelt 34, Riverdale "B" 21; Greenbelt 63, Riverdale "A" 18. The team has two remaining games to play in the second half. They play Green Meadows at Mt. Rainier gym 7:30 p.m. Tuesday, March 25, then Mt. Rainier at Greenbelt gym 7 p.m. Thursday, March 27. Mt. Rainier has already defeated Green Meadows in the second half so if Greenbelt can win its last two games they will be winner of the second half and that will necessitate a playoff with Green Meadows for the Championship of the Western Division of the Prince Georges County League. The winner of the Western Division will then play the Winner of the Eastern Division for the County Championship, which now looks like it will be Bladensburg. Greenbelt has already defeated the Bladensburg team in a practice game 21 to 19. The team will play a Red Shields team of Baltimore at Baltimore April 2. More power to Spud Clay and his boys who have really come to the front and we hope they win the championship as they have worked hard for it.

Our other Basketball teams had a very successful week and are continuing their winning ways. Looks like we might have a flock of County Champs to crown in Basketball. Midgets last Wednesday defeated Takoma Park 29 to 19, Brown was hi with 10, Gross 9. Saturday they defeated University Park 28 to 16, Brown again hi with 9 and Rock 8. Saturday the 8th the Juniors defeated Berwyn 43 to 41, Cockill was hi with 14, Strippling 13. Saturday the 15th the Juniors defeated University Park 60 to 27, Cockill again hi with 19 and Knott 16.

March 11th our Seniors defeated Mt. Rainier in an exhibition game 54 to 49, J. Brittingham hi with 10 and Huffman 9. March 14 the Seniors defeated Riverdale 39 to 33, Dutter was hi with 12 and Frady 11. Will try and have complete standings of the Midgets,

Juniors and Seniors in next week. Mt. Rainier seniors had been undefeated this season until Greenbelt seniors defeated them in this exhibition game.

All Boy's Club Night

The tentative program for "ALL BOY'S CLUB NIGHT" is as follows:

Starting at 7 p.m. with the Greenbelt Midget Basketball team against the Intermediates.

7:45 Coaches of all sports in the club have challenged the Board of Directors of the Club to a Basketball game Catch as catch can. The Coaches will wear the full uniform of the sport they are coaching such as: full football gear etc., as a handicap considering the age and inexperience of the members of the Board of Directors team. This should be a scream.

8:00 Band and Majorettes will display their talents, and you know how well they perform. They are a joy to watch.

8:20 Bladensburg Juniors Basketball team against Greenbelt Juniors.

9:15 Bladensburg Seniors Basketball team against Greenbelt Seniors.

If any awards are available at this time they will be presented to the boys. It is doubtful that the basketball playoffs will be finished at this time but there may be some Golden Gloves awards.

Soft drinks will be available. This is the night all the boys look forward to as a night of fun and their own night, so let's not let them down. Let's make it a point to try to be there. The cost will be only 25 cents to cover expenses of transportation of the out of town teams and use of the gym. Let's make the boys feel that we are behind them, and incidentally have a very pleasant evening in the bargain.

Trattler Chatter

By Pauline Trattler

Gr.-3762

Hi! I'm sorry to have to say this but this will be my last column of Trattler-Chatter for a while. I must temporarily give up some of my activities and take it a little easy for a while. I hope you will continue to call in your news on Monday nights at the Cooperator office at Gr. 3131 or drop your notes at the tobacco store until I am able to take the column over again. (I will however continue to write for the Star.) . . . Welcome home to Capt. Phil Stoak, 42-K Ridge, who returned from Korea after an absence of two years. His little daughters were happy to see their daddy. Little Barbara was 4 months old when he left, and Carol Ann, age 5, is sure proud of her daddy. (We are proud of you too, and hope you stay around for a while.) . . . Sorry to report that Pvt. Kenneth Brown, 8-C Hillside, is ill in the Aberdeen Hospital. (Please drop him a line, I'm sure he'll love hearing from you.) . . .

Mr. and Mrs. Allan M. Lawrence 6-H Crescent Rd., announced the engagement of their daughter Betty Lawrence to Robert Cookson on Mar. 2. (Here's wishing you kids lots of luck.) . . . You've heard that lightning never strikes twice but it's not so with Mr. and Mrs. Ed C. Kaighn, 13-V Ridge, who became grandparents twice in three days. Daughter Helen Fitts had a little baby girl Mar. 8, and daughter Dorothy Hagstrom had a little boy on Mar. 11. (Now that's what I call doing right by grandma, as now she can visit both girls at the same time.) . . . Mr. and Mrs. Rosen have moved to 9-E Ridge. New phone number Gr.-5256. . . . Mrs. Ruby Williams gave a lovely housewarming party for Mrs. Barbara Vernon last week. Lots of friends and neighbors attended and everyone had a swell time. . . . Sorry to say Miss Anna R. Volckhausen, 13-A Parkway, entered Garfield Hospital Sunday for a period of observation.

The City Desk

As stated before, councilmen are always very pleased to have a large group of citizens express their interests at a council meeting.

The presence of the administrative staff members at council meetings points out the close relation of the council, the policy making group and the city manager, the administrative head, in a Council-Manager form of government.

Departmental News

Public Safety Department: One car-pedestrian accident was reported this past week. A child suffered concussion and multiple abrasions. The driver was charged with reckless driving and bad brakes. A juvenile, aged 10, apprehended for robbing a boy, aged 7, of a wallet containing papers and money. Conference with parents may solve similar complaints. **Public Health Department:** Many children have returned to the schools this week and reports are that the virus attacks are less numerous than the previous week of March and February.

Library: A display on the wall outside of the library made by the students of Mrs. Thompson's room, depicts the story of their favorite book, "Somebody's Pony." **Public Works Department:** Working on the new amphitheatre at the Lake Park, and patching roadways.

Recreation: Large attendance at Drop Inn, St. Patrick's dance last Saturday evening. One basketball league game was played this week. Little League baseball players will receive applications within about ten days.

COUNCIL from page 1
 ing a child on a bike and a car with faulty brakes last week prompted council to warn residents of the dangers of children playing in courts unattended. The joint responsibility of parents and motorists was emphasized. Mayor Lastner asked residents to appeal to the state officials for Legislation making car inspections mandatory.

Woman's Club Programs Lecture on Architecture
 Greenbelt's Woman's Club, at their regular meeting last Thursday, heard a lecture by Mrs. M. Elizabeth Stites, instructor of art at the University of Maryland, on the history of architecture.
 Mrs. Mary G. Long played several piano solos. Hostesses for the afternoon were Mrs. Ramsdell, Mrs. Domchik, Mrs. Freer, Mrs. Neff, Mrs. Fairchild, Mrs. Provost, Mrs. Thomas and Mrs. Walker.
 The annual Guest Night Party will take place Saturday, March 29 at the American Legion Home.

Greenbelt Band Receives Ovation
 The Greenbelt Community Band and Majorettes was enthusiastically received when they performed last week on the new Langley Theatre's opening night.

The Washington newspapers featured a full-page advertisement that day in which our Band and Majorettes shared honors with the Marine Drum and Bugle Corps.
 On March 14, the Band played again at a program sponsored by the Lions Club in the Hyattsville Armory.
 There are a few instruments available for children who wish to join the Band. Mrs. K. Neibich, who is in charge of the Majorettes, is planning the addition of 10 members from either the Greenbelt or neighboring area. All interested young people may submit their applications for the Majorettes to Mrs. K. Neibich, 37-B Ridge Road, telephone 3087; and for the Band to Mrs. A. Cusick, 14-E Ridge, telephone 7007.

Valet Shop

Spring dry cleaning is picking up. Bring in now your drapes and furniture covers to be cleaned and ready for spring. When you drop in, also look at the colorful new styles for children's shoes. Women's loafers in stock now come in brown, fuchsia, lavender, yellow and blue. Mexican effects in sandals are ideal for either street or dress wear. See ad to the right of this column for another excellent consumer value.

Meat Department

Something new has been added to the meat department. Two new cases for fresh fish have just been installed and volume at the fish counter is already increasing. Next time by, look at the attractive display now offering a wider variety of fresh fish.

DON'T BURN POSTAGE STAMPS

Your sales slips from all Co-op stores are just like postage stamps. They are worth money at the end of the year. You wouldn't burn a postage stamp, so don't burn or throw away those sales slips. Over an 11 year period they have paid back to their owners over \$200,000 in patronage refunds.
